Lorena,

I like the idea. Would MV provide the driver for the bus and pick it up?

Jacob,

Princess Cruises will be having an in-transit day on Friday, April 14th. We are arranging "A Day in San Pedro" for their passengers. See attached flyer.

We are making plans to transport approximately 2,000 cruise passengers on April 14th. Since we only have our two trolleys, I wanted to see if we could also use an under utilized DASH bus. Currently, we hire MV Transportation to drive our trolleys and they are also the same company that drives the DASH buses.

I know that Studio City was loaned (at no charge) a DASH bus last summer. If the request came from your office we might have a better chance of getting one.

I know that they worked with the following individuals:

[Yanna.Loewy@lacity.org](mailto:Yanna.Loewy@lacity.org), DOT Transportation Planner  
[Shannon.garrit@intersection.com](mailto:Shannon.garrit@intersection.com) - Inventory Manager

We want to make a good impression with Princess Cruises and any assistance you could provide would be greatly appreciated. We are finally making some progress in working to convince them not to bus their passengers to Long Beach.

We continue to make strides with our tourism efforts and would appreciate any assistance you can provide.

Best regards,
